The undersigned, being at least 18 years of age and in consideration of usage of Jordan River Off Highway Vehicle State Park facilities, do hereby agree to this waiver and release for the calendar year 20____.

I recognize the use of off highway vehicles involves a high degree of physical activity and carries a risk of personal injury or property damage. I further recognize there are natural and manmade hazards, environmental conditions, diseases and other risks that in combination with my action(s) or the actions of others can cause injury to me or damage to my property. I do hereby agree to assume all risks that may be associated with or may result from my participation at this park, including, but not limited to actual course activities or while using the parking lots, buildings or access paths.

I recognize the use of off-highway vehicles may involve moderate to strenuous physical activity and may cause physical and/or emotional distress to participants. I state that I am free from any known heart, respiratory or other health problems that could prevent me from safely participating in any of the activities. I certify that I have medical insurance or otherwise agree to be personally responsible for costs of any emergency or other medical care that I receive. I agree to release the State of Utah and its agencies, departments, officers, employees, agents and volunteers from the cost of any medical care the participant receives as a result of usage of the course.

I further agree to release the State of Utah, its agencies, departments, officers, employees, agents and all sponsors, officials and staff or volunteers from any and all liability. Claims, demands, breach of warranty, negligence, actions and causes of actions whatsoever for any loss, claim, injury, illness, attorneys fees or harm of any kind or nature to me arising out of participant's usage of the facilities. This release to any claim made by my family, estate, heirs or assigns arising from or in any way connected with the aforementioned activities.
